

# G.D. BIRLA MEMORIAL SCHOOL, RANIKHET NEWSLETTER SEPTEMBER, 2022

EDUCATING THE MIND WITHOUT EDUCATING THE HEART IS NO  
EDUCATION AT ALL- ARISTOTLE

## TOUGH RUNS DON'T LAST; TOUGH RUNNERS DO

Cross Country was organized by our school on 24th September, 2022. It was a day of exuberance for all – juniors as well as seniors. We were waiting for this day at least a week before and were planning our strategies to tackle a long run, nearly eight kilometres for the seniors from classes IX to XII.

Going for a long run along the hill roads was quite a rejuvenating and also an invigorating experience. The early morning run – it was flagged off at 6.15 a. m. by Principal Sir from Field B of the school – along the metal road and at times, a testing terrain of hills. The spirit of adventure and the thrill can't truly be expressed in words. It must have been felt by every participant of the race that a lush carpet of pine needles and spongy grass of the evergreen environment are indeed more inviting than the most luxurious Persian rug.

The run ended at 8 a.m. finally. The school's 'Medical Aid Van' was conspicuous with its 'ever ready mode' to come out with First Aid if needed. After a hard run, all the students had a feast in the school dining hall. Thus, the day ended for us to nurse our sweetly earned pain of limbs the rest of the day.

**AEROBICS**

**B'DAY BASH**

## BIG BASH OF LITTLE CHAMPS

Cricket mavericks of the Junior section toiled hard on the ground on the eve of Inter House Cricket Juniors Tournament and showcased raw talent in all three aspects of the sport which would be honed and tempered by trainers in near future and they would surely transform into true masters of the game. Aravali House had the last laugh as they emerged as the champion but the effort and enthusiasm of all the other houses was equally appreciable. Players learnt to hit the yorkers out of the ground in all fields.

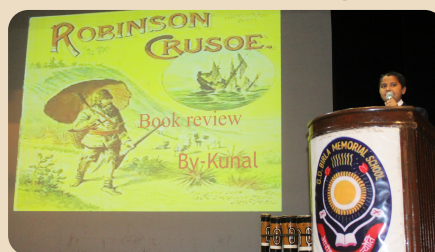

Utkarsh Gangola and Kashish Jasraj made their alma mater proud as they aced NEET 2022

## **TRIBUTE TO THE GENERATION BUILDERS**

This year's 'Teachers' Day' was celebrated in its usual fervour and fanfare. On this day, the class XII students substituted the teachers and took some classes. At the end of the day, the best student-teachers were awarded with some prizes for their skills in teaching. In the afternoon, the cultural programme followed by some fun games transported the teacher-audience to their good old days of having been students once and their having celebrated 'Teachers' Day' with such vigour and interest. After the cultural program At 5 p. m., Hi-tea was arranged for teachers and exactly at 8 p. m., teachers were served special dinner in the school dining hall which was specially decorated with aesthetic colours. This celebration is a kind reminder to all the teachers that they are the most responsible and important members of society because their professional efforts affect the fate of the earth and shape future.

## **LITERATURE-EXPRESSION OF HUMANITY**

It is a common conception that a youngster's mind that is stretched by new ideas may never return to its original dimensions. To expand the children's scope of imagination, multifaceted language activities are held at regular intervals in our school. This year, the Hindi Week was organized from 12th September to 19th September in the school auditorium. There were many Inter-house activities that generated interest among the participants. These competitions help the students improve their speaking skills on the stage. The Hindi Week also aimed at creating a congenial atmosphere for original thinking in the language. competitions like Kavya Avriti, Prabhati Gagan, Hindi Gyan Pratiyogita, etc were organised.
