JUNE 2022

JUNE SPRINKLED SHOWER OF JUBILANCE AND JOY ON ALL! COMPETE TO WIN AND TO LEARN

June gave a golden chance to us all show our finesse in different skills as we took part in all the events of Abhyudaya - 2022 held at Ashok Hall Girls' Residential School, Majkhali. We went there with all our might and trained hard to face a tough competition. In some events we made our mark and in some others we realized at the end of the day that our preparation needed some more thrust to beat those who were best on that day. In a nutshell, it was a good exposure to our strengths as well as our where we needed more diligence and perseverance to hone our skills further.

Danish Jasraj, XII – Sc.

POSITIVE THINKING IS THE KEY TO SUCCESS

'Positive Thinking' is not something that we can acquire as easily as we think. It is a sort of mental make- up that needs training as well as our inclination to see something positive even in an unsavoury situation. It is a kind of camouflage to hide our disappointments and also our helplessness at times. Day is obviously bright. However, the night is more alive and more richly coloured than the day. Differently coloured night, in more ways than one, stands apart and shows its distinction when the time is ripe.

After all, positive anything is better than negative nothing. By being positive, we can climb a mountain and cross the sea and thus 'can't' stands removed from our everyday vocabulary. It does not need any effort to believe that life is worth living and in course of time it becomes a fact. Like 'money makes the mare go', similarly positive thoughts make the day according to our taste and expectation. Therefore, be positive and get going in life. Otherwise, life becomes a hard nut to crack.

Arpit Jain, XII Com.

MOVIE TIME

INTER SCHOOL VOLLEYBALL TOURNAMENT

June paved way for an energetic inter school competition in which four schools namely— Beersheeba Public School, Mount Sinai school, Government Public School Majkhali and our own school as the boys fought hard till the end and smash, defence and block of the players impressed the audience quite a lot. The tournament was won by the team of Beersheeba and GDBMS team became the runners up. Certainly, all the players involved and the spectators got charged up to know in further detail and play the game in future.

INTERNATIONAL YOGA DAY

BIRTHDAY PARTY

FOG

All dreams shattered
Words slithered away
It is hard to see when you are on
a wrong way.

Now lost in clouds of misery
All my past comes back to me
Can't close my eyes, there's no
choice
I have to see.

A cold fog grips my heart
And strangles resilience
Which was once my part.

The fog which was strong
enough to blind
But is always difficult for it to
Stand and thrive.

Parth Bhagat, XII Sc.

ENDEAVOUR ENROUTE ENGLISH

English Week was held from 13th June to 18th June in the school auditorium. Various activities were part of the week. All the four houses were represented by their respective participants. Almost every student from each house had a chance to participate in some activities or the other as entries were restricted by two individual activities and one group activity for a participant. Since these were in-house competitions, they did serve the purpose of talent-hunt in a way. When a student reaches the stage, his nervousness and stage-fright take a back seat and he becomes bold enough to come out

of his shell of inhibition, thus a speaker or/and an actor is invented. It is also a suitable platform to hone one's skills in language acquisition. These inter-house activities ease the task of selecting participants for inter-school competitions as well.

CRICKET CHARISMA

After football fever it was time for the boys to show their skills in cricket as the students of four houses played against each other and showcased their sheer strength and passion for the game. Cricket being the most popular sport in our country right now, got much support from everyone and the players entertained the audience with lofty shots and trick balls to ace the game and beat their opponents. In the end, the spirit of the game rose quite high and the game paved way for a brighter future in this regard.
